AfSA | AESPP 2027 — EO and AI Training Applications (Rabat or Kigali)

African Space Agency (AfSA) | Africa–EU Space Partnership Programme (AESPP) – Continental Innovation
Choose ONE training only:
• RABAT, MOROCCO — 18–22 January 2027: EO and introductory AI for agriculture, land use and water security.
• KIGALI, RWANDA — 15–19 February 2027: EO and introductory AI for climate resilience, energy and infrastructure.
Application period: 3–30 November 2026 inclusive.
The five-day course includes EO/GIS fundamentals, Copernicus/Sentinel data, practical exercises, introductory AI and entrepreneurship.
Participation and travel support are subject to confirmation.
